Profile Summary

With a strong foundation in Data Structures and Algorithms, Database Management, and Web Development, coupled with hands-on experience in internships, I am well-equipped to tackle real-world challenges. Achieving an outstanding 90% in the CBSE board, I possess a solid educational background. Proficient in SQL, C#/C++, and possessing a knack for problem-solving, I am eager to leverage my skills in a dynamic work environment. I am seeking opportunities to apply my expertise and drive tangible results, making a meaningful contribution to the organization.
